Dear Dean Katkalo,

It is my pleasure to confirm that GSOM, St Petersburg State University, has been ratified full academic member of CEMS, and our single member school for Russia, at the CEMS Annual Meeting in Paris on 28th November 2008.

I would like to congratulate you on this occasion, and thank you for your strong commitment to the CEMS alliance.

We are delighted to welcome your excellent institution to CEMS, and I am convinced that our students and corporate partners will highly benefit from the newly-created CEMS MIM programme in St Petersburg.

Yours sincerely,

François Collin
