Dear Dr. Katkalo,

I am delighted to inform you that the EFMD Institutional Membership of St. Petersburg State University, School of Management, was approved by our Membership Review Committee Members on 20 November 2006.

May I on behalf of EFMD welcome you to the membership. A welcome information pack follows by postal mail.

The success of EFMD is linked to the tremendous contribution and involvement of all the members. I hope that you will participate very actively in the network and I look forward to working with you. In order for us to best serve your institution in the future, I would be most grateful if you can complete the attached information sheet. By providing this information you will allow EFMD to communicate directly with your key personnel so that they are informed and updated on any new initiatives that EFMD is running in their field.

Final approval of your membership will take place during the EFMD Annual General Meeting in Brussels in June 2007. In the meantime, your institution will already benefit from all EFMD services.

Please do not hesitate to contact us should you require any information. Liliane Gaspari, our Manager, Membership Services Unit, will be pleased to help as well as everybody else of the Brussels team.

Yours sincerely,
